

## FORD MEN BANQUET

JESSE E. SMITH HOST TO HIS EMPLOYEES AT DINNER AT JAHNKE'S TAVERN

Jesse E. Smith showed his appreciation to his employees last Wednesday evening by inviting them to a banquet at Jahnke's Tavern.

Many different suggestions were brought up in regard to improvements in the separate departments which will benefit Ford owners. Mr. Smith thanked his employees for their faithful services during the last year, and showed his gratitude by presenting to each one a proportion of the profits accrued during the year ending July 31, 1917.

Those present were Jesse E. Smith, Ben Wilde, C. W. McFadden, Frank B. Webster, A. M. Land, C. A. Campbell, Dean Wilson, P. A. Hall, Ralph L. Webster, A. B. McIrvine and Sergt. L. A. Lewis, who is now stationed with the Coast Artillery at San Pedro. Sergeant Lewis was presented with a beautiful elk's tooth by the boys as a token of the esteem with which he is held.

The sales department has set a record of 300 sales for the ensuing year. So look out, you who do not own a Ford; they're after you.

A great many improvements have been made during the past year in the service department and stockroom, and, with the additional improvements now being made, will make it one of the best equipped service stations in Southern California.

## FOUR DAYS OF BOOSTING

For more than four years the Evening News has been boosting for all worthy business, educational, religious and social institutions of the Glendale community. Fifty thousand dollars' worth of free publicity space has been given for the upbuilding and promotion of clubs, churches and schools. This space was given willingly and with a definite purpose in mind of aiding in making a greater Glendale.

Five thousand dollars of this space has been given to encourage residents of the city to trade with local merchants and another \$5000 of the space has been used to promote harmony and co-operation among the citizens of the community. Not one dollar of space has intentionally been given to tearing down any worthy cause or parading before the public gaze the weaknesses of any human being. The plan of the Evening News is to say something good about a man or an institution, and if there is not an opportunity to say something good, nothing is said.

Now when it comes to Booster Week for the Evening News the people are remembering the generous spirit of the local daily paper in always advocating that which is for the community's good, and they are speaking a kind word for the paper to their friends.

The fourth day of Booster Week for the Evening News was a very successful one. The idea came to the minds of the friends of the soldier boys located at various points in the United States and France that a six months' or a year's subscription to the local daily paper makes a very desirable present, and therefore from this date the paper will go to former Glendale boys in some of the camps.

## OXY-THROOP GAME SATURDAY

The Occidental and Throop varsities will clash on Patterson Field, Occidental College, Saturday at 2:30 p. m., in the first big football game of the season. A hard fight is predicted, as Occidental holds the state championship and Throop is conceded to have an exceptionally strong squad this year.

The W. C. Patterson Stadium, recently completed at a cost of \$30,000, and the finest athletic field in the Southwest, will be dedicated at this game. Many Glendale people are planning to attend, and especially the students of Glendale High School, where football has been instituted this year.

## COMMUNITY CONCERT

A community concert will be held in the Glendale High School auditorium on Saturday evening, October 13. Mrs. J. J. Freeman will sing a solo, "The Garden of the Soul," the words being her own composition. Dr. H. N. Pfeiffer will give an address on the subject, "What Every Community Needs." Dr. Pfeiffer is a recent addition to Glendale church circles, and a wonderfully inspiring speaker. This concert is given under the auspices of the Glendale New Thought Center.

## MONTHLY MEETING

PACIFIC AVE. PARENT-TEACHERS IN HELPFUL AND INTERESTING SESSION

Did you attend the Parent-Teacher Association yesterday? It was a most delightful meeting, held October 11 in the Pacific Avenue school. The room was filled with anxious, eager faces, ready to take advantage of the many opportunities this noble organization has to offer, not only the mothers, but relatives and friends of the children attending that school.

After the regular business had been transacted we had many a pleasant surprise, and are proud and grateful for the talent expressed, each one taking part being equally efficient in her splendid undertaking. To our delight, we found two beautiful pictures had been presented the school through the generosity of Mrs. Geo. Herald and Mrs. P. Hanning. Then as in keeping with our country's need, we enjoyed a brief but urgent call from the Red Cross through Miss Douglas, who has so diligently worked at the Intermediate school during the summer months for this same cause. As if in response to this call, and expressing the sentiment of all present, Mrs. George Lyons gave, in tones most pleading and sympathetic, two piano selections. But we had just started. Our dreams, trials and blessings had as yet all to be solved. And these were all realized, unraveled and pointed out indisputably through the courtesy of Mrs. Charles H. Toll. Having given deep thought and hard study for many years, devoting much time and energy, Mrs. Toll was enabled to impart her intellectual ability during the talk on "Ideals for the Home." And being possessed with an overwhelming sense of responsibility and expressing in each word a great inspiration for the betterment of children, we received an insight into the "science of motherhood."

Then came the greetings of new members and friends, the refreshments consisting of most appetizing coffee and cakes and—the meeting was over.

## A MORNING WELL SPENT

As hostess to a child of four, the kindergarten was the logical place to visit. The Cerritos Avenue school, Tropic, was the one chosen. This no doubt is the best arranged and most airy kindergarten, though small, in the valley—windows on one side and all screened on the other. In our California climate very much work should be done out of doors.

Miss Jessie M. Atwood is the instructor, and as she read each child's name, in a most pleasant tone of voice and the reflection of love in her face, each of the thirty boys and girls responded with a cheery, "Good morning, Miss Atwood."

Then the young voices sang good morning songs, greeting:

"Good morning, little children,  
With faces bright and gay.  
Good morning, little children,  
We're glad you come today."

Then they hopped, skipped, trotted and marched to the piano music, showing they had gained a knowledge of rhythm and music in the few weeks' time.

Next was a discussion of family, the things mother does, the things father does in the home, why they do things, what the children can do, thus teaching the little ones to love and obey, to appreciate kindness and love to do for others.

The one thing lacking here was a sand bed, and the P.-T. A. has work to do to help. The larger this sand bed is the better. It should be 10 by 12 feet at least, height 1½ feet, ledge on top 10 to 12 inches wide. Large box, padlocked, for miscellaneous blocks, spools, tins, shells, pails, shovels—these for use in the sand bed—with a good roof over all. We help ourselves by encouraging clean play for the little ones.

MRS. ELLA W. RICHARDSON.

## CENTRAL AVENUE P.-T. A.

The Central Avenue P.-T. A. met on October 11 at 3 o'clock at the school auditorium, Mrs. Lehman, the president, presiding. The meeting opened with the singing of "America Beautiful" by the school children and "Star-Spangled Banner" by all. Mrs. Brown, the federation president, gave a very helpful talk and impressed upon the mothers the importance of becoming more closely acquainted with the teachers of their children, in that way being of more help to both teachers and children. A vote was taken to give an entertainment on Saturday evening, October 27, for the benefit of the tennis courts. At the close of the meeting refreshments were served.

## KAISER IS IN SOFIA

VISIT OF EMPEROR WILHELM TO BULGARIA AROUSES SPECULATION AS TO DIFFERENCES WITH FERDINAND

(Special Service to Glendale Evening News)  
LONDON, October 12.—The report that the Kaiser is in Sofia has aroused speculation here as to the extent of further friction between Bulgaria and Germany. Rumor has it that Ferdinand of Bulgaria is insisting on peace.

## BLIZZARDS USHER IN WINTER IN EAST

FIFTH GAME OF WORLDS SERIES MAY HAVE TO BE PLAYED IN SNOW IN CHICAGO TOMORROW

(Special Service to Glendale Evening News)  
CHICAGO, October 12.—The fifth game of the World's Series may be played on snowshoes here tomorrow. It snowed throughout the night and this morning. The weather man predicts unsettled weather for Saturday.

ST. PAUL, October 12.—Snow, a temperature of 28 degrees and a blizzard howling at the rate of 45 degrees below zero ushered in winter throughout the Northwest this morning.

## REAR ADMIRAL MAYE INSPECTS DESTROYERS

COMMANDER IN CHIEF OF AMERICAN FLEET SATISFIED WITH WORK OF OUR VESSELS IN EUROPEAN WATERS

(Special Service to Glendale Evening News)  
WASHINGTON, October 12.—Rear Admiral Maye, commander-in-chief of the Atlantic fleet, has returned with his staff after a visit of inspection to the American destroyer fleet in European waters. He is enthusiastic over their achievements. "Our ships have done very excellent work and are going ahead splendidly," he declared.

## LA FOLLETTE TO DEFEND HIMSELF

BRYAN WILL PROBABLY BE SUMMONED AND QUESTIONED BY INVESTIGATING COMMITTEE

(Special Service to Glendale Evening News)  
WASHINGTON, October 12.—Senator LaFollette has been summoned and will open his defense against disloyalty charges at the meeting of the investigating committee next Tuesday. He will probably be followed on the stand by Wm. Jennings Bryan, who will testify in the Lusitania case.

## LIBERTY LOAN TOTALS BILLION

SECRETARY McADOO CALLS UPON RICH AND POOR ALIKE TO WORK FOR SUCCESS OF BOND SALE

(Special Service to Glendale Evening News)  
WASHINGTON, October 12.—The first billion mark has probably been passed in the Liberty Loan campaign although less than half that amount is reported officially. Secretary McAdoo calls on all people, not the rich alone, for the hardest kind of work until the books close October 27.

## ALLIES WANT CO-OPERATION OF JAPANESE

REQUEST THAT EXPEDITIONARY FORCE BE SENT TO EUROPEAN BATTLEFIELDS FROM JAPAN

(Special Service to Glendale Evening News)  
TOKIO, October 12.—The demand of the Entente Allies that Japan send troops to Europe to help fight Germany is becoming more insistent. Military authorities here think the recent American steel embargo was the forcing of increased participation in the war by Japan, both on land and sea. The Allies are making a strong effort, following the capture of Riga by the Germans, to gain Japanese participation in the war, requesting that an expedition be sent from Nippon to Europe. Japan replied that mobilization is impracticable.

## BRITISH IN NEW OFFENSIVE

MAKE SATISFACTORY PROGRESS IN NEW DRIVE OVER SIX-MILE FRONT IN FLANDERS

(Special Service to Glendale Evening News)  
LONDON, October 12.—British troops began another great offensive over slime and mud in Flanders. Northeast of Ypres they made an attack on a front 6 miles wide with satisfactory progress.

## CUT INSURANCE COSTS FOR SAILORS

(Special Service to Glendale Evening News)  
WASHINGTON, October 12.—A cut of 33 per cent. in the cost of government insurance for crews tracking submarines is taken as further evidence of waning U-boat effectiveness.

## "ARBOR REST"

MR. AND MRS. GRANT IMPROVING THEIR EAST FIRST STREET SANITARIUM

Mr. and Mrs. S. E. Grant are carrying out extensive plans for improvements at their Arbor Rest home sanitarium, at 209 East First street. A series of upstairs sleeping porches is now under construction, adding to the commodious out of doors sleeping accommodations they already have in addition to the number of indoor rooms. The "Rest Home," as they like to call it, is making steady growth and now has about twenty rooms.

The plan of management under the personal supervision of both Mr. and Mrs. Grant, is a somewhat unique and a very attractive one. Arbor Rest is not a sanitarium, neither is it a rest cure. It is, above all, also what its name signifies—a home. And it is beautifully situated for that purpose. Located as it is, in the highest part of Glendale, it commands a wonderful view on all sides, looking out over the tops of orange groves toward Mt. Washington and the Verdugo hills, and overlooking the attractive homes of Glendale to the south. It is surrounded by lawns and shade trees, among which are twenty avocados, the most tropic fruit of Southern California.

Mrs. Grant herself has charge of the nursing at the home, with experienced resident nurses working with her. She has a competent cook and a housekeeper, and altogether the little establishment is a very busy one. That it fulfills its homelike promise in name and inviting appearance is proved by the fact that the guests who come hesitate to take their departure, and, in hesitating, continue to linger. Several who are now living at Arbor Home have been there for several years, and in the six years since the Grants have been in Glendale they have had guests stop with them for long and short periods up to as long as four years. As an old people's home it is most attractive, as well as for health seekers, invalids and convalescents. The altitude is 1000 feet. The whole atmosphere of the place is wholesome and cheerful and health inspiring, with Mr. and Mrs. Grant as hospitable and kindly hosts.

## A BIRTHDAY SURPRISE

A surprise birthday dinner was given on Thursday evening at the home of Mr. and Mrs. E. E. Green, 306 South Orange street, in honor of Mr. E. A. Green, Mr. E. E. Green's father. Only members of the family were present, with the exception of Mrs. Harriet Pitman, and included the following from out of town: Miss Lillian Green and Mr. and Mrs. Harley Benedict of Los Angeles. Later in the evening other guests were invited in, among whom were Mr. and Mrs. Judson A. Jenkins. The house was prettily decorated in Halloween colors, and refreshments were served. Miss Lillian Green, who is an accomplished pianist, played, and Miss Eva Green whistled. The guest of honor was the recipient of a number of surprise gifts. A very pleasant evening was spent by all.

## NEW IDEAS WANTED

Wanted—By the Red Cross, persons with fertile brains. Applicants phone to Mr. John H. Braly, the president, or Mrs. Mabel Franklin Ocker, the secretary. The position offered entails thinking—thinking up something new, in fact. The object is for the entertainment of the people of Glendale in a manner so irresistible that money in return will be forthcoming with great readiness and dispatch. Amusement is the immediate end in view, no idea being barred by its light-mindedness or frivolity, with a most serious purpose as the ultimate aim. The Red Cross needs money, and needs it badly, but it wants to earn it honestly and give people their money's worth. Therefore, the possessor of a happy thought is now solicited. Please don't be bashful about coming forward.

## CORRECTING STATEMENT IN THE LOS ANGELES TIMES

In an article appearing in yesterday's issue of the Los Angeles Times a statement by the city attorney of Inglewood that "Inglewood had no fight on with the Los Angeles Gas and Electric Company" was erroneously accredited to H. B. Lynch as referring to Glendale.

PUBLIC SERVICE DEPARTMENT, CITY OF GLENDALE.

WEATHER FORECAST—Fair tonight and Saturday, except cloudy along the coast. Light westerly winds.

## TRUSTEES' MEETING

CITY WILL BOOST SALE OF LIBERTY BONDS—ATTORNEY REPORTS ON GAS CASE

The Board of Trustees met in regular session at the City Hall at 7:50 p. m., October 11. All members present at roll call.

The minutes of the last regular meeting were read, and to correct an omission the following addition was ordered to be made in regard to linemen's pay on Page 59:

"Trustee Jackson made a motion, which was seconded by Trustee Grist, that, beginning September 1, 1917, the pay of linemen in the department's employ be \$4.50 per day, roll call resulting as follows: Ayes—Grist, Jackson. Noes—Muhleman, Thompson, Woodberry."

With this correction the minutes were approved.

A communication was read from the Liberty loan committee of Los Angeles, setting forth the importance of subscribing to the second Liberty loan of 1917, and requesting that the board by resolution make a subscription to the fund. In this connection the manager of the public service department suggested that as a help to the cause he proposed, with the consent of the board, to attach stickers urging subscriptions to the loan to all bills sent out by his department. On motion of Trustee Grist, the communication was referred to the committee of the whole.

The City Manager reported that the City Treasurer had issued a deed to the city of Glendale for lots 6, 7 and 14 of the Max Muir tract on account of delinquent tax sale. On motion of Trustee Jackson it was ordered that the deed be recorded and that an assessment against the property amounting to \$112 for the opening and widening of Broadway be paid out of the general contingent fund.

The City Manager reported having notified Mayor Woodman of Los Angeles of the appointment of Mattison B. Jones, Esq., as a member of the committee organized for the purpose of doing honor to our "national defenders."

He also reported the receipt of a letter from Supervisor Jonathan Dodge, in which it is stated that the county of Los Angeles has agreed to pay \$5000 of the cost of constructing the Ivanhoe bridge (total cost of the structure being estimated at \$20,000), the city of Los Angeles agreeing to pay \$10,000 and asking if the city of Glendale would be in a position to extend any financial assistance in order to secure the remainder of the sum necessary for the completion of the work during this year. No action was taken.

The City Engineer presented a report on the question of sewage disposal in the congested portion of the city, recommending the construction of a deep cesspool in congested blocks into which could be conducted the overflow of surrounding cesspools located in the immediate vicinity, the expense of construction to be borne by the city, to cover which a charge should be made for connections. On motion of Trustee Muhleman, action was deferred for one week.

The City Engineer made a report in regard to the collection of assessments for the opening and widening of Broadway, stating that the number of assessments is 409; that the collection amounted to \$10,970.03, only about \$80 of the sum of the total assessment being delinquent, and most of this will probably be paid. He stated the law applying to the distribution of this money, and suggested that the board authorize payment to be made. It was stated by the district attorney that no authorization by the board was required under the law, and that disbursement of the fund is entirely in the hands of the street superintendent.

The manager of the public service department reported that the county supervisors will act at the meeting Monday next on the bids for supplying lights to the Verdugo lighting district, and asked that the board authorize the proper officials to sign the contract immediately if it should be awarded to the city of Glendale. On motion of Trustee Jackson, it was ordered that the proper officials of the city of Glendale are hereby instructed to sign the said contract.

The City Attorney made a report in regard to the claim of Mr. Moss for a refund of the sum of \$100 paid by him in November, 1916, and February, 1917, for a laundry license. The City Attorney advised that in his opinion the claim of Mr. Moss for refund is not a valid one, and further, that the law prohibits the paying by the municipality out of the fund of the current year any sums due for obligations incurred in previous years and that there is no money in the

## MODERN COURAGE

Not in clanging fights and desperate marches only is heroism to be looked for, but on every railway bridge and fireproof building that is going up today. On freight trains, on the decks of vessels, in cattle yards or lumber rafts, among the firemen and the policemen, the demand for courage is incessant, and the supply never fails.—William James.

## BRIEF ARGUMENT

But, after all, it's a fine thing, this thought of comradeship which exists, or should exist, between father and son, as is shown by the boy who was sent away to boarding school, and, becoming violently homesick after a few days, wrote to his father as follows: "Dear Father—Life is short! Let us spend it together."

## HAPPENINGS IN STATE

SACRAMENTO, Oct. 12.—The state department of weights and measures, together with all the county sealers, will be used by Food Administrator Herbert Hoover to carry out his food regulations in California. Charles G. Johnson, state sealer of weights and measures, has announced. Johnson offered to co-operate with Hoover on the suggestion of Dr. S. W. Stratton, director of the national bureau of standards, who laid the plan before Hoover with the result that it was adopted.

SACRAMENTO, Oct. 12.—Members of exemption boards can not resign unless they have a good and sufficient reason, according to instructions received by Governor Stephens from President Wilson. "Members of exemption boards are drafted into the government service just as much as the young men who will have to face the bullets in France," the instructions read. Governor Stephens was ordered not to send any resignations to Washington unless he believed the reasons to be good and sufficient. These instructions are the result of threatened resignations on the part of local board members, angered at the reversals by district boards.

SACRAMENTO, Oct. 12.—Albert Meister, manufacturer, of Sacramento, has invented a combination automobile and motor rail car that promises to revolutionize railroad travel. The body of the car is constructed after the plan of a railroad coach and is equipped with electric lights and air brakes. The power plant is a six-cylinder motor such as is used in high priced automobiles. It has a four-speed transmission with reverse, which makes it possible for the car to climb any grade the same as steam and electric locomotives. It has a seating capacity of 31 persons. The car is to be tested by the Southern Pacific Company here, and if it proves successful, Meister says, he has been assured a large contract.

SACRAMENTO, Oct. 12.—The state civil service commission has announced a list of candidates who were successful in recent examinations held to create an eligible list to fill vacancies in the state service. The list follows: Electrical Foremen—H. H. Jessor and L. C. Richmond of Oakland, C. N. Sargent, R. W. Willy, P. G. Bugaerts and R. P. Dennis of San Francisco, and C. A. Elmore of Oakland. Inside wiremen—H. H. Jessor of Oakland, A. B. Jones, S. W. Kephart and C. A. Wilson of San Francisco, and R. C. Prevett and K. B. Kitchin of Los Angeles. Linemen—D. Cameron, W. D. Mann, G. McGuire, W. Parker, M. J. Brydges and J. W. Doherty of San Francisco, and H. L. Grigsley of Oakland. Cable splicer—T. Brassem, H. W. Davidson and E. Burket of San Francisco, A. D. Allison of Berkeley, D. C. Wallace of Pasadena, and F. C. Bauer of Los Angeles. Inside wireman's foreman—J. W. Slater of San Francisco. Assistant property agent, state board of control—F. Fibush of San Francisco. Electrical inspector—G. E. Kimball of Oakland, F. A. Short of Riverside, W. T. Tyler of Palo Alto, M. C. Sandles and B. Hill of Oakland. Agent, board of charities and corrections—Grade 1, Esther De Turbeville of San Francisco and E. P. Von Allmen of Fresno. Institutional electrician—H. H. Jessor of Oakland, and S. W. Kephart of San Francisco. Boiler inspector—F. A. Pagendarn of San Francisco.

SAN FRANCISCO, Oct. 12.—The strike of the Bernal Heights school-boys has ended in a "lockout." The boys struck because they said their teachers rode on United Railroad cars. Today the strikers received little slips of paper announcing they were suspended from school for a week. But the marble ring and football have been shelved as tame sport since the new game of "strike" came to take its place in the realm of boyish adventure. Around the little candy store is being related the inside story of the strike. It started many days ago. A long slip of paper with a remarkable oath of secrecy such as would have delighted Huckleberry Finn had been passed from desk to desk. It was crumpled in the pages of geographies when the teacher's eye seemed keen, or hurriedly stuffed in a pocket to be smeared with bits of gum or dust from the marbles. On it was printed the following: "We strike Monday. Keep it secret. If you don't sign, keep your mouth shut. Meet in the school yard Friday. Remember, we strike Monday." Then pieces of chalk started to disappear from the schoolroom and the strike propaganda was spread over the neighborhood fences. Cryptic words, "We strike Monday," adorned telephone poles and sidewalks to puzzle the passer by. The boys struck and the cops interfered. But the strike game has "caught on." Today a boyish voice came on the telephone, saying: "Say, I want you fellows to know the Mission school gang's going to strike in sympathy."

SAN FRANCISCO, Oct. 12.—Mrs. Alice Safatovich doesn't realize San Francisco has changed a little since the days of '49. She sent this telegram to the police here: "My daughter wants my 16-year-old boy to come to San Francisco for a visit. Do you think it's safe?" Chief of Police White replied: "There's a lot of 16-year-old boys getting by all right up here. Guess your boy can."

Bill—Can an elephant go as long as a camel without water?  
Gill—From the odor, I should say longer.

## Personals

Mrs. Edgar Leavitt and her mother, Mrs. Winslow, of 512 Orange street, are entertaining as their house guest Mrs. Emma Morrison, of Santa Monica.

The regular meeting of the Glendale Federation of P.-T. A. will be held Monday, October 15, at 2:15, at the Intermediate school. Parliamentary drill will begin at 1:45.

The meeting of the Y. P. B. which was to have been held on October 13 has been postponed to October 20, and will be held at the home of Miss Mabel Robbins, 509 Columbus street.

Mrs. J. C. Heath of Visalia, who has been the house guest of Mrs. Judson A. Jenkins, 1315 Campbell street, for the past three weeks, leaves on Saturday for Murrieta Hot Springs.

Mrs. Mary E. Smith, mother of Mrs. Frank Liddell, 234 North Kenwood, left today to attend a Billy Sunday meeting in Los Angeles and afterward to spend the week end with friends in Hollywood.

Mr. and Mrs. R. W. Meeker, 300 East Colorado street, have been entertaining for the past few weeks as their house guest Mr. Meeker's father, Mr. A. T. Meeker. He will leave on Sunday for San Francisco.

Ambassador Roland S. Morris, who is now in San Francisco with his family, en route for Japan, will be the guest of his cousin, Mrs. A. B. Morrison, 1327 West Colorado street, for a short visit within the next few days.

Vincent S. Burton, a graduate of Glendale High School, class of 1909, whose father was at one time the Methodist minister here, is now a first lieutenant in the regular army. He has lately been detailed as legation guard at Tien Tsin, China.

Miss Frances A. Fisk, of Newark, N. Y., reached Glendale Wednesday, after a summer spent at Long Beach, and will be the guest of Mrs. Grace V. Harrison, 413 South Jackson street. Miss Fisk starts on her way back east in about a week, and plans quite an extensive trip before reaching her home.

The East Side Red Cross Unit No. 1 met on Thursday afternoon with Mrs. Benjamin H. Nichols, 223 South Adams street. These meetings are held under a pepper tree during this fine weather, and the purpose is knitting. The only difficulty is that there is a lack of yarn for the willing knitters. The Red Cross needs it badly.

Miss Hazel V. Carr, daughter of Mrs. M. A. Carr, 436 South Jackson, is making a speedy recovery after a successful operation last Friday at the Glendale Sanitarium. Miss Carr has been a sufferer for a number of years, and during the past three months has been confined to her bed. She has many friends in Glendale who will rejoice in her improvement.

Mrs. L. A. Crowait, daughter of Mr. S. E. Grant, of the Grant Rest Home at 209 East First street, arrived last Friday from her home in San Antonio, Tex., with her two little boys, Richard and baby David Milton. This is the first time in three years that Mrs. Crowait has been in Glendale. She will be with Mr. and Mrs. Grant for a short visit.

Lieut. Fred H. Nichols happened to be detailed to meet and escort to their barracks the trainload of Southern California boys on their arrival at American Lake. They had left Los Angeles October 4. Among them he recognized Elliot Albright, Donald Good, Homer Bullard and Hasty Bidwell. While the boys are obliged to work hard, everything is being hurried as fast as possible to make them comfortable.

An all-day meeting of the P. E. O. was held on Thursday afternoon at the home of Mrs. Charles W. Burket, 704 West Fifth street. Mrs. Burket served luncheon to thirty members and guests, Mrs. Freeman Kelley and Mrs. Walter Stamps being present from Chapter B. A., and Miss Mattler, one of the new teachers at the high school. The program was in charge of Miss Ruth Byram, assisted by Mrs. Maxwell. The subject was "American Pottery." Decorations were in the yellow coreopsis.

Miss Eulalia Richardson, 805 South Central avenue, entertained on Thursday afternoon in honor of Mrs. Mary G. Colby, of 1421 Riverdale Drive. Mrs. Colby is a last spring's bride and a newcomer to Glendale. The guests were entertained informally with a few readings by the hostess and music, with singing by Mrs. Emma Legge. The decorations were flowers of the season, with an especially beautiful bouquet of dahlias. Those present were: Mesdames Emma Peterson, Emily E. Small, Laura Bennett, Margaret Mitchel, Sadie Wood, Emma Legge and Mrs. Gwendolyn Lynch, with her baby daughter Margaret, and the Misses Lillian Elliot, Myrtle Pulliam and Lorraine Mitchel, also Mrs. E. W. Richardson, mother of the hostess, and her aunt, Mrs. Rose John.

Mrs. Calvin Whiting and her daughter, Miss Eleanor, were among those who heard the Hungarian concerto, Natzenauer, at the Trinity Auditorium on Tuesday. This was the first concert of the Philharmonic course.

Mr. Allen Davenport, son of Mr. and Mrs. Harold Davenport, 223 North Glendale avenue, has been recently promoted to the position of ensign, and left San Pedro on Sunday evening, with nineteen others, for Mare Island, where he expects to be stationed for the next three or four months.

Little Miss Lois Naudain, daughter of Mr. and Mrs. Earl R. Naudain, of 903 Lomita avenue, dances tonight at Hollywood at the opening of the new Carnegie library. She is a very talented little dancer, the pupil of Miss Lindsay, of Los Angeles, and has made a number of public appearances in Glendale and Los Angeles.

The twenty ladies of the Episcopal church who met at the home of Mr. and Mrs. Phillips on Wednesday are especially invited to the first service in the beautiful little church, just finished, at Tujunga, where Bishop Johnson is to preach on Sunday, the 14th. These ladies are all working diligently in the Red Cross, besides doing efficient work in church missions, their mission work for the past year showing a fine record.

A double birthday dinner was given on Thursday evening at the home of Mr. and Mrs. Jesse Joseph, 1431 West First street, in honor of Mrs. Joseph and her brother-in-law, Mr. T. L. Blackburn, of Pomona. The guests were Mr. and Mrs. Blackburn, Mr. and Mrs. Eugene Brown and Mr. and Mrs. F. A. Conrad. The decorations were in orange, carrying out the Halloween idea, with tiny owls on the little yellow baskets which were given as favors. Yellow chrysanthemums were the flowers used. The big chocolate birthday cake, decorated with yellow candles, was cut by both of the recipients of the honors of the occasion in unison, with great ceremony. There were toasts by the hosts and guests. Dancing and cards were enjoyed in the light of the festive yellow Japanese lanterns. It was a very enjoyable as well as a very pretty party.

The J. O. C. of the First Methodist church will hold a food sale at the Shaver grocery, corner Broadway and Glendale ave., Saturday morning. 35tf

Melt the lard to boiling point, drop in a few pieces of charcoal (the amount of charcoal depending upon the quantity of lard) and boil slowly for a period of one hour. Strain through a fine cloth. The charcoal absorbs all the impurities in the lard.

## SHAKESPEARE SECTION

The first meeting of the Shakespeare Section of the Tuesday Afternoon Club will be held on Monday afternoon at 2 o'clock at the home of the curator, Mrs. Charles H. Temple, 301 Orange street. All members of the club who are interested are invited to come. The first part of "Romeo and Juliet" will be taken up and a special afternoon will follow.

## LOVERS OF DANCING

Brian Vivian, an experienced manager of dancing entertainments, is conducting dances every Friday night at Butler's Hall, Brand boulevard, Glendale. Citizens of Glendale who have witnessed these dances say they are managed in a very orderly manner and are deserving of the patronage of those who wish to dance.

## PREPAREDNESS MEANS SUCCESS

By Fred Dodge

Being prepared means three things to the individual: faith, confidence, and ability. Without preparation a man is lost. His lack of confidence is his worst enemy. He is afraid of himself. He does not know himself. He is too ready to say, "I am afraid I will make a failure of it," or "I haven't any ability along that line." It is absolutely up to the individual whether he develops his confidence or not. The first thing to do is to study yourself, analyze yourself. As Mr. Willys of the Overland Co. says, "Self analysis is the first step toward success." After you have analyzed yourself you will know your weak and strong points; then develop them and you will have confidence in yourself. You will then have faith, and you will be ready to tackle anything; then you have the ability to go ahead. You will say, "I can, I will," and you will succeed.

Preparedness is necessary for success. (By a student in salesmanship class taught by H. C. Joy.)

## WATERPROOFING CLOTHING

By mixing one ounce of paraffin with one quart of gasoline, says a French scientist, a waterproofing material can be obtained that will greatly increase the life of shoes and clothing. In treating shoes with this mixture it should be applied warm by means of a brush. Clothing may be dipped into it when cold. The solution is said to help preserve the softness and color of the material to which it is applied. In the case of uniforms they can be so treated without removing metal buttons and other insignia.

## MAKING SCISSORS LAST LONGER

If a pair of scissors is being hung up, the blades open, they will last longer than those which are put away with the blades closed. Many scissors have the blades slightly bowed at the tip, which helps to make them cut quickly and accurately. When such scissors are left closed for any length of time the blades lose their springiness where they come together.

## Some Free Advice to Borrowers

When you borrow money on a mortgage, always insist that the mortgage contain the so-called "bonus clause." This clause gives you the right to pay off the loan at any time by your paying a small extra penalty (generally equivalent to 90 days' interest) over and above the regular interest due. This privilege is sometimes very valuable to the borrower. If you don't understand it, call me up and I will explain more fully.

(Continued from page 1)  
treasury of the city of Glendale from the receipts of last year with which to pay any claims. On motion of Trustee Muhleman, payment of demand A-4370 by M. W. Moss for the sum of \$100 was refused.

The City Attorney reported having attended the rehearing of the gas question before the railroad committee on Tuesday last, and that he had introduced testimony to show that the city of Glendale had been discriminated against in the formation of zones, and he believes that the order of the commission will be modified.

The City Attorney presented a written report concerning the matter of reimbursing employees of the city for the loss sustained by reason of the city not having on hand the funds with which to pay for their services. The opinion states that the Board of Trustees have no authority to provide for such reimbursement.

He presented a communication addressed to him by C. P. Warden, requesting that he obtain passage by the trustees of a resolution stating that certain property purchased at state tax sale is used as an alley. On motion of Trustee Grist, the matter was referred to the City Engineer.

The City Manager presented the report of the P. D. Hall Auditing Company of the city's books for the two years, July 1, 1915, to July 1, 1917, and the same was referred to the finance committee.

On motion, ordinance No. 316, "An ordinance of the city of Glendale, fixing the character of gas required to be furnished by persons, firms or corporations to the city of Glendale or the inhabitants thereof," was taken up for third and final reading, and upon being read was, on motion of Trustee Jackson, adopted.

When the tip has come off a shoe lace just dip the loose end in household glue and press hard between the fingers to a long pointed end and let harden well. You will find the tip will stay together and can be laced up even through the plain holes without the least trouble.

AMERICAN FIELD HEADQUARTERS, France, Sept. 25 (by mail)—Sammy's morals are as safe as a Liberty bond if his reading has any influence on his moral condition. You will search all day in the camp libraries for "The Mark of the Bloody Hand" or "Six Weeks," and not find them. Wandering into the Y. M. C. A. for an hour's refreshing reading, Sammy can top off his hard day's work by a perusal of "Fourteen Weeks in Astronomy," "The Family Life of Heinrich Heine" or "Lives of Celebrated Female Sovereigns." "Bible Stories for the Young" are also there.

Somehow none of the books were busy this evening, but there was a waiting list for a vulgar thing written by a British soldier about life and death in the trenches during the early days of the war.

## CONTINUOUS HOSTILITIES

The kid came into the house looking as if he'd been in an accident. Of course, a fellow can't look neat this kind of weather, but his appearance on this occasion excited comment.

"Oh," cried his mother, with a flash of intuition, "you've been fighting again with the little boy next door! And you promised me you wouldn't have another fight with him."

"Well, I didn't," maintained the kid.

"Do you mean to say you haven't been fighting?"

"Yes'm. No'm. I didn't fight again. This was the same fight."

On tact the last word was spoken by Barbey d'Aureville when he said:

"If tact could be bought only those already possessed of it would want to buy it."
